PROFILE INFO

I'm dedicated web developer with a diverse skill set that encompasses React JS, Next JS and WordPress. **Despite my ongoing battle with Muscular Dystrophy, which has confined me to a wheelchair for the past 10 years**, I've honed my expertise in web development, particularly in the JavaScript. My ability to efficiently manage multiple tasks showcases my unwavering determination and commitment to delivering high-quality results.

MUHAMMAD ADIL

FRONT END ENGINEER (REACTJS) | EAGER TO LEARN NEW THINGS
